These can be donated in form of a store-bought item(s) from a predetermined list of needs OR can be automatically charged to your Titan account in the amount of \$10 to go towards the purchase of these items. Further information along with a list of items needed for the Natalie Lewis meet will be sent on Monday, May 8th.

If you would like to sign your swimmer(s) up for our next season 2023/2024 current member registration will begin in mid-August and practices will begin based on level starting after Labor Day 2023. Registration includes TTSC membership as well as AFC membership/2023-2024 Titan Practice Passes (as applicable). USA Swimming memberships are valid through the end of 2023; therefore, you will not need to renew that until December. We will send detailed information to all current members in early August about registering for our next season.

Titan Family Participation Requirements

Reminder from our Titan Handbook: Parental assistance is a crucial aspect in the development of a cohesive team environment, as well as a major contributor to both our athletes' success and the financial success of our team. As such, the Titans Board of Directors has developed a Family Participation Policy to encourage the involvement of athletes' families in the support of our team. **Please be aware that failure to meet your Family Participation Requirements WILL result in your account being charged for missed sessions (hours) at the conclusion of the season. Please refer to p. 10 of the Titan Handbook for specific guidelines and fees.**

We have 2 TTSC hosted meets remaining for you to fulfill your requirements – Natalie Lewis Spring Invite (5 sessions) and End of Summer Meet (2 sessions). As a reminder each "hour" due is equal to 1 (one) session. You can find your current hours due by signing into your TeamUnify account – My Account – Invoices & Payments – Service Hours. Scroll all the way to the right and look at the Balance column.
