USA Swimming Registration – IMPORTANT ACTION ITEM

REMINDER: In our November 2022 Newsletter, we asked that all Titans complete the 2023 USA registration no later than 12/15/22.

As of today, only 30% of our team has completed this task.

For your swimmer to participate in any club practice, event, or meet on or after January 1, 2023, they **MUST** be registered with USA Swimming. If they are not registered, then they cannot attend. This is a requirement by USA Swimming in order to be an active member of our club.

In order to do this, please **follow the directions** that are on our website.

- Sign into our website - www.titanswimming.com - and then click on the USA Swimming Account Registration page found under the Join Our Team tab.
- You must be signed into your Titan account to access this page.
- This is a TWO STEP process. Two sets of directions. You first create the Parent Account; you then create the Swimmer Account and pay the \$88 registration fee (per swimmer). You must choose the \$88 membership.
- Use the documents found on the website to guide you. There is a registration link included in the Create Swimmer Account. You must use this in order to successfully register your swimmer.

Some people have had difficulty in completing registration because they did not follow BOTH sets of directions that were created to help. Once you create a Parent account, you **MUST** follow the second set of directions to find the link to register your swimmer. This is done in a completely different place and without the link - you cannot complete this task.

Please do this **BY THE END OF THIS WEEKEND, 12/18**. If you have any questions, please send an email to our team: tonawandatitansswimclub@gmail.com

Titan Family Night at the Arena – FEW TICKETS LEFT

There are about 25 tickets left in our group discount block for our next great family event - **Thursday, December 29th** Buffalo Sabres vs. Detroit Red Wings.

These are available to all Titan members, families, friends, and alumni. Bring your crew!! Everyone will be heading down to the ice after the game for a team picture.

To purchase tickets, please use this link:

We hope to see everyone there! The Sabres are turning into one of the highest scoring teams in the NHL so it should be a fun game to see.

2022 TTSC Holiday Meet - Volunteer Opportunities

As a reminder, our 2022 TTSC Holiday Meet is Tuesday, December 27th and Wednesday, December 28th. If you have any questions about entries, please talk to the coaches.

We will be posting Volunteer Opportunities on Monday, December 19th. Positions will be limited to 2 per family until Friday, December 23rd. At that time the positions will be open for anyone to fill.

2022 TTSC Holiday Meet - Supply Donations

As mentioned in the 2022-2023 Handbook families from ALL levels regardless of participation are asked to assist in preparations for TTSC hosted meets by donating food or supplies to help us reduce the operational costs of our team meets.

For the Holiday Meet, food/supply donation needs equate to approximately \$5 for each family. These can be donated in form of a store-bought item(s) from a predetermined list of needs or can be charged to your Titan account in the amount of \$5 to go towards the purchase of these items.

The list of items needed for the Holiday Meet can be found here: <https://www.signupgenius.com/go/9040B4DA4AE2DABF58-ttsc1>

If you would like to NOT be charged the \$5 family donation and instead bring in an item, please sign up via this link. These items MUST be brought in on Monday, December 26th in between 4pm – 6pm only. If you prefer not to worry about shopping and would like to be charged the \$5 that will occur on Tuesday, December 27th and no further action on your behalf will be required.

Did You Know?

If you are looking for detailed information about a meet, the Meet Information document has everything you need to know about the event.

You can find Meet Information documents for each meet AFTER YOU SIGN IN and under the Event tab of our website. In addition, if it is a Titan hosted meet you can see this information under the TTSC Hosted Meet tab of our website.

You must be signed into your Titan account in order to see all the Upcoming Events and Meets.

Although each team has a slightly different format for their Meet Information document, they all include warm-up and start times, session information, order of events, and venue details such as entrance fees and program costs.

If the host team has additional important information to share prior to the event, we may send an additional email to Titan attendees. If not, you will need to reference the Meet Information document for all of the details.
