Did You Know?

We have two main color team swim caps – Green and Blue.

The Green caps are our traditional team cap for all Titan swimmers. You will receive a Green latex cap when you join our team or participate in your first meet.

The Blue caps are presented by our Titan coaches to swimmers who qualify for final sessions in any preliminary/final meets that we either attend or host. Blue caps should be proudly worn at any final session as an achievement for reaching that level of swimming!

If you have not received a Blue cap yet – it is an awesome goal to have for the future!
