USA Swimming Registration – ACTION ITEM

As we approach the end of 2022, the USA Swimming Membership for all current Titans (swimmers who joined us prior to the 2022/2023 season) is set to expire.

Therefore, it is time for you to register your swimmer for 2023. This is a requirement by USA Swimming in order to be an active member of our club.

As of 9/1/22 we can no longer do this for you. This must be done on a member level by first creating a Parent Account and then creating a Swimmer registration,

To complete this process, please sign into our website - www.titanswimming.com - and then click on the USA Swimming Account Registration page found under the Join Our Team tab.

- You must be signed into your Titan account to access this page.
- This is a TWO STEP process. You first create the Parent Account; you then create the Swimmer Account and pay the \$88 registration fee (per swimmer).
- Use the documents found on the website to guide you. There is a registration link included in the Create Swimmer Account. You must use this in order to successfully register your swimmer.

DEADLINE: We are asking that all Titans complete this registration no later than 12/15/22 in order to ensure a seamless transition into 2023. If you have any questions, please send an email to our team: tonawandatitansswimclub@gmail.com
